Had 2 outdoor tailgate parties for the soccer games. Demographics were a lot of families. They originally were not going to let anyone under 18, but there were a lot of families at the first one so they let kids come in at the last one.

4. Clean Streets/Clean Lakes and Snow Emergency Zone 20 min Bryan Johnson from the Streets Division: [BJohnson2@cityofmadison.com](mailto:BJohnson2@cityofmadison.com)

Potential changes will have parking implications.

Bryan is the recycling coordinator for the city and he does public outreach.

The city is expanding the clean streets/clean lakes initiative that requires people not park on one side of the street for four hours a day, two days a week, to a full year policy instead of just from May to November. This will help the city sweep the streets better and ticket more cars that violate the policy.

TLNA will put something about this in the newsletter to inform the neighborhood.
